The Tennessee State Fair has established the Creative Clover Division to promote the 4-H activities and projects that students participate in during the school year. 4-H members are not limited just to this division, they are encouraged to enter their activities and projects into other creative arts divisions (examples: sewing, quilting, fine arts, paper arts, fiber arts, canning, handcrafted art and floral arranging). An exhibitor must be a member of a Tennessee 4-H Club. Whatever grade the exhibitor was in on January 1, of the current year, will be the division that they compete in. The grade divisions are listed below.
